To whom it may concern

Sorrento Football Club has used Sport Plus as supplier of Errea kit and equipment for 5 years and intends to continue. The quality of Errea's products is of a very high standard. Sport Plus gets the job done within the agreed time frame. In fact our next season's gear has just been delivered four weeks ahead of schedule. They are proactive when it comes to advice on the most suitable gear for our playing conditions. Their pricing is very constant and competitive and their quotes are accurate. They certainly take pride in their business that has such a high level of service.

Yours sincerely,

Kerry Slater  
Secretary
